With her heart in tatters after a relationship break-up, Rose Bennett swaps her hometown of

London for the sunny shores of Australia – but she arrives to find the Shingle Valley shrouded in

winter. As the weather improves, Rose starts to unlock the secrets of the valley – from bonfire

ceremonies and wine-making traditions to eccentric locals and their histories. Despite herself,

Rose starts to fall in love: with the valley, the wines, the two children she’s helping to look after

– and with the handsome and brilliant Mark Cameron, owner of the troubled Kalkari Wines

estate. What will happen when Mark’s estranged wife, the tempestuous Isabella, returns? Will

Rose find a future in the Shingle Valley, or will she be forced to leave? ‘Some books, like wine

can be sipped - but I had to gulp this novel down! It was delicious!’ – Rachael Treasure

By collectively concentrating on the theme of political symbolism in modern Europe, the contributors to this volume have chosen to honor a revered teacher and colleague by developing a set of variations on one of his primary scholarly concerns. The essays deal with familiar domains in the history of European culture: religion, science, philosophy, theater, popular culture, and social ideologies. They attempt to focus on their individual subjects as studies of the ways in which the terms of cultural discourse have been shaped and elaborated by social position and the inherently political nature of such discourse. The essays also trace attempts to capture assent or compliance to particular world views which have had profound cultural and political consequences. Many es-says deal with the vocabularies of strategically located elites con-sciously or unconsciously shap-ing discourse to enhance their role in the Eruopean social hierar-chy. Others turn to the problem of the dynamics of symbolic recep-tion and reception by popular au-diences. A third group of thematic essays deals with case studies of world views dominated by political metaphors of group identityand differentiation which became dominant in Western Europe to-ward the end of the nineteenth century-class, nation, sex, age, and race. The essays in the volume deal with: George Mosse and political symbolism; the medical model of cultural crisis in fin de siecle France; cultural uses of "fatigue" in the nineteenth century; Mar-burg neo-Kantian thought and German popular culture; the Ostjude as a cultural symbol in German anti-Semitism; the func-tion of myth and symbol in Georges Sorel; feminism and eugenics in Edwardian England; Darwinism and the working class in Germany; science and religion in early modern Europe; popular theater and socialism in fin de siecle France; political symbolism in the paintings of the German war of liberation; generational discourse in pre-World War I France; and cultural implications of national-socialist religion.

For Maverick, it's the smirk on his face when he's definitely thinking what I'm thinking. And for Maddox, it's the fact that he knows he's lucky to have someone like me interested in him. For Carmen it's because she knows exactly what I want and she wants me to have it so badly. For Sawyer, it's the fact that I can't have him and there's just something about that bleached white hair. For August, it's because he's the only person in the world that really loves me. For Ezra, it was always the authority in his voice. Yes, he was off limits too. Maybe he should've stayed that way. I couldn't help myself though. I'd never tasted a teacher before. Bad seed, Leila Park is always up for a little fun and the entirety of La Villa Academy knows this. She's the type of girl whose phone number is on a bathroom stall and you know to call it for a good time. She doesn't deny who she is and she lives life as if it's ending the next day. Ezra Song really rains on her parade when he transfers to her school out of the blue. He's attractive and if he's the flame, Leila is the moth. The only problem is... he's her new teacher.

Essays in Honour of George L.Mosse

We revisit Lipset's law, which posits a positive and significant relationship between income and democracy. Using dynamic and heterogeneous panel data estimation techniques, we find a significant and negative relationship between income and democracy: higher/lower incomes per capita hinder/trigger democratization. Decomposing overall income per capita into its resource and non-resource components, we find that the coefficient on the latter is positive and significant while that on the former is significant but negative, indicating that the role of resource income is central to the result.

A great Napoleonic soldier's life-two volumes complete in one special edition Armand Caulaincourt was a principal figure of the Napoleonic epoch. Born in 1773, he was serving in the army of France at the age of 15. By 1801, he had been swept up by the tide of French revolution and politics, had risen in rank, been reduced to common soldier, risen again to colonel and twice suffered wounds in his thirteen campaigns. Becoming an aide to Napoleon, Caulaincourt's fortunes prospered during the imperial period and led to his becoming Duke of Vicenza in 1808. He

strongly advised Napoleon not to invade Russia, but was ignored. He served during the Russian Campaign as Grand Ecuyer to the emperor being present at Borodino and upon the retreat from Moscow until Napoleon left the doomed army. Caulaincourt accompanied Napoleon on his return to France, becoming Grand Marshal of the Palace following the death of Duroc. The remainder of his career was spent engaged in diplomacy for which he had a considerable talent, particularly impressing Tsar Alexander I who subsequently used his influence to save Caulaincourt from arrest and execution following the Hundred Days. This good value Leonaur edition of the life of this outstanding man, contains the complete text of both volumes as they were originally published. Leonaur editions are newly typeset and are not facsimiles; each title is available in softcover and hardback with dustjacket; our hardbacks are cloth bound and feature gold foil lettering on their spines and fabric head and tail bands.
