With baby boomers swelling the ranks of grandparents, there is a large and growing audience for Let's Grandparent. There are no other books on the market with the variety of content or perspective presented in this book. With its emphasis upon the crucial early years, it has special appeal for new grandparents and those with young grandchildren. During this honeymoon period grandparents are typically enthusiastic about their new role and eager to learn all they can to make the most of time spent with their grandchildren. They want it to be fun, have an educational value, and strengthen close intimate bonds. Let's Grandparent shows them how to achieve these goals through an in-depth understanding of child development, over four hundred kid-tested activities and tips for simple but satisfying experiences together. The author brings together her personal experience as an enthusiastic grandparent with her professional career in early childhood education to create this insightful and enjoyable guide. The intended audience for this book is grandparents with young grandchildren, especially targeted for a well-educated, middle-class audience and grandparents of both men and women in their late middle-age and early retirement years • Parents of young children, who often are looking for ways to encourage closer connections between their children and their grandparents • Anyone wishing to form a close relationship with a young child, such as other relatives or mentors to young children • Participants of workshops and classes for grandparents • Early childhood education (National Association for the Education of Young Children and Association of Childhood Education International)

Offers group activities using readily-available materials to help children learn to find friends, cooperate with others, and respect each other's feelings and differences.

Art Is Fundamental can be used by teachers with extensive art training who must explain complicated concepts to first graders, or by teachers or home-schoolers with no such background who suddenly find they will be teaching art. Eileen Prince has developed a comprehensive art curriculum that can be integrated into any teacher's existing instruction. Though written for elementary school teachers, these lessons can be easily condensed and adapted for middle or even high school students.--[book cover]

After Mrs. Seahorse lays her eggs on Mr. Seahorse's belly, he drifts through the water, greeting other fish fathers who are taking care of their eggs, in a story that includes a "hide-and-seek" feature with acetate overlays.

The corresponding Teacher's Guide is a page-by-page supplementary resource that gives you additional activities to enhance the student's learning opportunities by using cross-curricular materials including discussion questions, reproducible vocabulary, science, geography and math activities. Each Teacher's Guide turns you into the expert—we've done all the research for you! This comprehensive resource enhances the many dramatic learning opportunities students can gain from reading this mystery by Carole Marsh. The supplementary Teacher's Guide includes: ¥ A chapter guide of additional information, trivia, historical facts, and more to help teachers be "Experts!" ¥ Activity ideas that make the book come dramatically to life for young readers! ¥ The author's additional comments and thoughts about the subject ¥ Some reproducible activities ¥ Great out-of-the-box ideas for activities.

MegaSkills© for Babies, Toddlers, and Beyond

Enrich language and literacy skills with special-education students and/or English Language Learners in grades PK–K using Sign Language Fun in the Early Childhood Classroom! This 64-page book helps students improve verbal communication, visual discrimination, spatial memory, and early reading skills. The multisensory approach helps all students (with and without special needs) improve language and literacy skills. This book does not require previous experience with American Sign Language, and it includes teaching suggestions, games, activities, songs, rhymes, literature recommendations, and reproducible sign language cards. The book supports NCTE and NAEYC standards.

More than 1,200 activities that engage every type of learner by one of Gryphon House's best-selling authors.

This classic Dr. Seuss Beginner Book features silly tongue twisters that will have readers of all ages giggling with glee. When a fox in socks meets Knox in a box, you know that hilarity will ensue. Add chicks with bricks (and blocks and clocks) and you're sure to get your words twisted and lips locked. With his unmistakable gift for rhyme, Dr. Seuss creates a hysterical and energetic way for beginning readers to dive into the joy of reading. This book comes with the following warning: "This is a book you READ ALOUD to find out just how smart your tongue is. The first time you read it, don't go fast! This Fox is a tricky fox. He'll try to get your tongue in trouble." Originally created by Dr. Seuss, Beginner Books encourage children to read all by

themselves, with simple words and illustrations that give clues to their meaning.

Amongst many popular activities, listening to and telling stories is fundamental to every early years setting. Apart from being fun and exciting, storytelling has many functions in children's development, helping them to make sense of the world and organize events and experience. Children often retell their adventures as stories, from the simple event of having dinner to major happenings such as falling down the stairs! The story organizes events from the past and as they happen, and both the story and its telling convey important information about relationships, thoughts and feelings and the children's personal life in general. This book contains simple but creative ideas to help practitioners prompt and aid storytelling for and with the children in their setting.

Experiencing Music Composition Grades K-2 features pedagogical strategies and practical advice for teachers coupled with 15 engaging lessons tailored to meet the needs and interests of very young musicians.

Inspiring Ideas to Support Early Maths and Literacy takes a play-based approach and draws on popular stories and rhymes to cover the key areas of mathematics and literacy. Full of practical, tried and tested ideas for developing understanding in mathematics and literacy, this book aims to help practitioners make these areas of learning exciting and meaningful for young children. Each chapter shows how learning can be reinforced and brought to life through resources made from everyday materials, providing children with an enjoyable and positive learning experience. Key features include:

- clear instructions and full colour photographs on how to make practical resources for indoor and outdoor environments
- vocabulary lists for inspiration and ideas for developing a new play space or overhauling an existing space
- key questions to consider when planning and designing an indoor or outdoor play space
- links to the Early Years Foundation Stage that will guide the development of a future playground and challenge providers to enhance their practice.

This practical resource will be essential reading for primary teachers, early years practitioners, students and all those interested in developing young children's confidence in mathematics and literacy. .

"This book focuses on an in-depth assessment on strategies and instructional design practices appropriate for the flipped classroom model, highlighting the benefits, shortcoming, perceptions, and academic results of the flipped classroom model"--Provided by publisher.

If you were a penguin . . . You could swim really fast and toboggan on ice. Sing a happy duet, once or twice. You could live on land but dive under the sea. There's a lot penguins can do, just like you and me! Wendell and Florence Minor create a charming tribute to all the playful fun and activity that comes with being a penguin—which young readers can delight in too!

Reading is Funny! Motivating Kids to Read with Riddles

Encouraging children to let their imagination run wild, Emily K. Neubinger offers 40 inventive projects and activities that will inspire kids ages 5 to 12 to express themselves through storytelling. Younger children will love making story stones and a storytelling jar, while older kids will open up and thrive as they embark on guided story walks and inspiring journaling exercises.

Sparking creativity while developing a child's love of language, Show Me a Story will kindle a lifelong passion for both writing and telling original stories.

Widely recognized as a leading text in its field, this popular guide explores literacy development beginning in infancy and through fourth grade. The latest edition continues to prepare teachers to create and implement literacy-rich curricula in early

childhood classrooms, while providing updates to federal legislation and highlighting the impact of state standards on educational settings. Recent technology is integrated into activities used to enhance literacy competencies. Throughout the book, the author's approach to reflective teaching empowers teachers to become effective decision makers and thoughtful mediators in children's transactions with literacy. A conceptual and theoretical foundation for describing reading and writing processes is followed by research-based descriptions of the signs of emergent literacy and developmentally appropriate instructional strategies. The emphasis on linguistic and cultural diversity includes an array of approaches for supporting English language learners. Chapter extension activities challenge readers to apply concepts through observation, research, curriculum development, and discussion. Sample observation and assessment forms assist in determining children's progress in developing literacy.

Use this book to facilitate your church or group in organizing a nursing home adoption ministry. HEARTS TOUCHING HEARTS is an outreach ministry which works closely with volunteers and a nursing home staff in order to touch the lives of as many nursing home residents as possible. Imagine what would happen if every nursing home had a church or another organization that "adopted" that nursing home's residents as their special friends! This is the ultimate goal of HEARTS TOUCHING HEARTS. Organizations can work together, making sure every nursing home in their community is reached by this ministry. Included is "101 FUN AND CREATIVE IDEAS FOR NURSING HOME MINISTRY." Take the first step in touching nursing home residents' lives by reading this guidebook and then adapting the book to fit your ministry needs.

Early childhood educators around the world use this best seller to plan daily curriculum and classroom activities. Practical Puppetry A_Z

Discover Second Grade

The Lottery

Building Your Child's Happiness and Success for Life

Promoting Active Learning through the Flipped Classroom Model

Puppetry is an exciting, flexible, malleable art form that can engage the creative forces of children or adults. Puppets can not only tell a story, they can be used to enhance the curriculum, present an idea or a concept in a compelling way, or teach any number of necessary skills. Children and adults presenting a puppet play are given a sense of their own inventive power. This reference work offers an A to Z view of working with puppets. It covers everything from the basic strategies of advertising and marketing puppet productions, to assembling the puppets out of household materials such as paper bags, cereal boxes, or gloves, to the more elaborate sculpting of armatures. Stages, curtains and props are also discussed along with the history of puppetry. Numerous illustrations give a visual of many of the finished products. This work concludes with an annotated bibliography and index.
