Everything You Need to Know About a Deutz Air-Cooled Diesel

This Foley Tech Tip focuses on electronic shut off solenoids (also known as an ESO) as used on the Deutz model 1011, 1011F, and 2011 diesel engines. These solenoids vary in design and can be tricky to identify, but we can help. Over the years Deutz has made running changes in these shut off solenoids for the 1011 and 2011 series engines and it is hard to keep track of them, but here is a little chart to help.

Tech Tip #160: Deutz Diesel Electronic Shutoff Solenoid ...

MSHS, authorized service for Deutz engines, parts supply, on-site machining and engine overhaul. Motor-Services Hugo Stamp, Inc. (MSHS) is an authorized distributor and service center for most of the world 's major diesel engine and turbocharger manufacturers. We maintain an extensive inventory of spare parts and our service engineers, technicians, and parts department are on 24-hour call worldwide.
