[Eagle Against The Sun: The American War... book by Ronald ...](#)

Eagle Against the Sun is a gripping narrative of arduous land and sea campaigns, punctuated by episodes of brutal fighting – including names such as Midway and Iwo Jima that resonate through the modern age. Its scope is vast, taking in the strategic coups and blunders of the high command alongside the desperate struggles of the soldiers, sailors and marines who executed their orders.

[Eagle Against the Sun | The Folio Society](#)

Though published thirty-five years ago, Eagle Against the Sun is a good introduction to the Pacific war. It has good background on how the Japanese and Americans viewed each other before and during the war. The moves that led to hostilities. How the Americans took the initiative and never let go.
