From the author of *Unbreak My Heart* comes a heart-wrenching story about a young married couple's struggle to find their way back to each other after an unbearable loss threatens to tear them apart. Nicole Jacquelyn delivers a novel that will break your heart...in all the best ways. Alex Evans is cool. Collected. Charismatic as hell. But when he meets Sarai Levy, all that chill goes right out the door. An Israeli graduate student, Sarai's far too busy with school to date. But she gives Alex a chance anyway, and after a few whirlwind months, they're getting married. They've heard all the reasons why it's too soon, but Alex and Sarai are madly in love and determined to make it work . . . until a devastating tragedy strikes and their perfect world comes crashing down. Sarai, who always has a plan, suddenly has no blueprint for handling a staggering loss. As she pulls away from Alex and withdraws from her life, he's struggling to be the man she needs. Their relationship is fraying at the seams, and if Alex and Sarai don't find a way to trust each other with their most painful truths, their heartache could shatter their fairytale romance.

Bear shifter Clover is steaming mad and ready to be fitted with a new pair of bear skin boots. How dare the sexy head of security for the McCoy clan forbid her younger sister from marrying his brother? His brother knocked the girl up and he's going to do right by her, or her name isn't Clover Lulabelle Movie Star Windwalker Jones – which, unfortunately, it is. (Her parents were hippies.) His. Clover is hotheaded, impulsive, demanding – and she's his. Sam McCoy knows it the second he lays eyes on her. Sure, he's arrested most of the members of her family at one time or another, and now she's blaming him for ruining her younger sister's life – details, right? Sam has a secret weapon – he gets her a marketing job at his family's jelly and jam factory, which will help her retain custody of her brother and sisters. Late nights at the office and some sexy honey samplings lead to even sexier times, and the possibility of a future – until Clover's past comes back to haunt her and threatens to tear apart the family she's fought to save.

Motherhood adds and subtracts at a feverish pace. More belly laughs and moments of awe. Far less sleep and hardly any self-care. With the toddler years in full effect, Gwen has found herself both overwhelmingly happy and suddenly rudderless. Seeking a work/home balance proves baffling as she watches her identity float off like pollen in a summer breeze. When a family friend seeks out her expertise as a geneticist to solve a long-forgotten cold case, Gwen feels a bit of her old self returning. Being able to give someone their identity and provide peace for a family in turmoil is a purpose she deeply connects to. But the situation has the potential to create palpable danger she may not be able to avoid. Being a grandmother suits Leslie perfectly. Lightheartedly sharing hard-won lessons and indulging and spoiling as often as she can. She's the keeper of the cookies and the soothing song that magically induces sleep. However, with the promotion to grandmother comes the uncanny ability to see and know when trouble is brewing. The urge to protect pushes her into overbearing territory. Gwen and Leslie must once again navigate the complexity of their relationship as their roles continue to shift. Leaning on Griff and Mark, the women are forced to decide if self-preservation outweighs the chance to give a long-forgotten Jane Doe her identity back. And perhaps peace to her waiting family. Close to the Heart is a comprehensive guide that opens a world of imaginative yet simple ways to approach personal prayer. Breaking through boundaries and stereotypes, best-selling author Margaret Silf shows personal prayer to be a journey into reflective living as she invites readers to experience prayer as a natural, organic process. Silf's stories and suggestions, drawn from contemporary life, are solid and practical. She explains, "This book sets the scene for deep personal prayer by suggesting ways of inner stillness and reflective living. It tempts the reader to search for 'clues to the kingdom' on the sidewalks of his or her own hometown."

Coming Soon! Brand New Series by Bestselling Author Danielle Stewart. Author of *The Bend in Redwood Road*. There is a vast difference between having it all and being fulfilled. In the eyes of most onlookers, Carol Burgess couldn't ask for a more gratifying life. She'd climbed the corporate ladder and taken her swipes at the glass ceiling, leaving a few cracks along the way. When she's finally the one in charge, she discovers change is still taboo in the elite literary industry. Faced with the choice of keeping the status quo or starting a revolution of ideas, Carol seeks out a fresh and undiscovered voice in the writing world. Rather than searching the usual universities and conferences, she broadens her pursuit to a less conventional hunting ground. Sending her charming assistant, Terrance, to entice her reluctant prospect, sets in motion a journey none of them expect. Marta Leduc longs to remember her childhood more vividly. The urge to make sense of the chaos and trauma remains strong even after she accomplishes her lifelong goal of publishing her novel. Generations of her family followed the same trajectory of their New Hampshire town. They thrived on booming millwork and then, upon the downturn, crumbled just as the uninhabited brick buildings did. When success is at her fingertips, Marta is faced with the reality that her past is always nipping at her heels. Like the lingering ache of whiplash, she understands the misfortunes she's endured will always be a part of her. Encouraged by Terrance, Marta begins to imagine a life she never thought possible. Carol and Marta must unite if they intend to change "what always has been" into "what could be." When their fates intertwine, neither is safe from the forces that wish to hold them back. Will sheer determination be enough to keep them ahead of the next disaster? *The Brave Moments Series: Book 1: Anywhere the Weeds Grow* *Book 2: Anytime the Birds Fall* *Book 3: Any Place the Sun Rises*

A tale of love and hardship set in wild and beautiful 19th century Cornwall. Born into a once-respectable family, circumstances have reduced Roz Trevasik to working at the local inn. In order to pay the fines incurred through her alcoholic mother's drunken behaviour, Roz has put herself in debt to some unpleasant people, and has reluctantly turned to smuggling. When her half-brother, Tom, is offered a job as an apprentice on the estate of the local JP, Branoc Casvellan, Roz realises this is an opportunity to dig her family out of trouble. Then Casvellan's brother catches smallpox, and it falls to Roz to nurse him – bringing her into close contact with her handsome employer. But how will Casvellan – and his family – react when the truth about Roz's life comes out?

*The Complete Broken Mirror Series Boxed Set Book 1: The Way Down* Roark Miller protects people for a fee. A substantial one. It's a fair exchange. His expertise in security for their money. Socialites. Diplomats. Famous athletes. He doesn't ask questions once the check clears. No matter how screwed up the job gets, it's still less stressful than his days as a homicide detective in Detroit. Roark had blurred the lines between right and wrong too many times to pick up his badge again. But his past won't stay buried for long. Demi Kay finds herself choking on a cloud of body spray in a bar crawling with college-aged kids. It was meant as a night of celebration but turns quickly to a nightmare she can't wait to escape. The only silver lining is the attractive bodyguard who looks equally disappointed with the establishment. Roark and Demi find they have far more in common than their mutual disdain for the party scene. When Roark realizes Demi is a victim from a case he'd consulted on a decade ago, he knows trouble is just around the corner. Mysterious threats turn to violence and Roark is the only thing standing between Demi and danger. But will he be enough? *Book 2: The Way Home* There are things, once put in motion, that can't be stopped. Demi has found herself on the wrong side of danger. Everything she once thought to be true is suddenly in question. Roark has never let his feelings get in the way of his job. Protecting people requires the ability to keep his distance. Those rules flew out the window the moment he met Demi. *Book 3: The Way Back* Alexandria runs. She hides. She evades. The last ten years of her life have been spent trying to survive. The best strategy was to travel alone. People were liabilities and never worth the trouble. When her sister tracks her down and longs for a relationship, Alexandria knows it won't end well. Especially when danger and death lurk around every corner. Charger won't let up. The men who shot up his car and almost killed him have to pay for what they've done. The more he learns the more he realizes just how despicable they are. He planned for danger. He expected gunfire. But Charger hadn't accounted for Alexandria and the whirlwind of drama that came with her. When there is no where else to turn and no roads left to run down, Alexandria must decide if she'll embrace the safety of those who want to protect her, or set off on her own again.

The Field on Oakwood Farm

The Energy Codes

In 1893, Sherlock Holmes and Henry James come to America together to solve the mystery of the 1885 death of Clover Adams, wife of the esteemed historian Henry Adams--member of the Adams family that has given the United States two Presidents. Clover's suicide appears to be more than it at first seemed; the suspected foul play may involve matters of national importance. Holmes is currently on his Great Hiatus--his three-year absence after Reichenbach Falls during which time the people of London believe him to be deceased. Holmes has faked his own death because, through his powers of ratiocination, the great detective has come to the conclusion that he is a

fictional character. This leads to serious complications for James--for if his esteemed fellow investigator is merely a work of fiction, what does that make him? And what can the master storyteller do to fight against the sinister power -- possibly named Moriarty -- that may or may not be controlling them from the shadows?

Like those writers to whom he has been compared--Fuentes, Garcia Marquez, James Joyce, and Rabelais--del Paso draws upon myth, science, and world literature to expand his particular story to universal proportions. Telling the story of a medical medical student who's engaged in an incestuous affair with his cousin, the novel satirizes advertising, politics, pornography, and mythology, while at the same time celebrating the body with a thoroughness that only a student of medicine could manage.

If you spend half your life chasing down vengeance, what do you do when the thing you're hunting turns out to be someone you love? If your sanity depends on the solace you'll find in retribution, is one terrifying discovery enough to get you to stop searching? Rebecca has given Devin half her heart and all her love since the moment he was arrested. Now it's up to him to decide if he's capable of the same dedication when new clues point to her involvement in murder. With so much on the line can Devin sort out the chaos and stop his tailspin before he loses everything? Can he hand over all his heart and trust he's making the right choice?

But when you earn yourself a nickname like Click, the only sound the enemy hears before you strike, transitioning back to civilian life is a more insurmountable task than any combat mission. Click knows his family is longing for the kid who left for boot camp six years ago. But that person doesn 't exist anymore. The only thing strong enough to pull him back to Sturbridge, Tennessee is knowing one of his four sisters is in trouble. Can Click fight his nightmares and haunting memories long enough to save his sister? Can Jordan, the woman he loves, help him navigate his way toward peace with his family? Or will facing home be the one fight Click can 't win. CRASHING DOWN Lu-Ella settles into her favorite chair at the Happy Heart Dance Studio. Like every Tuesday night, she 's ready to watch her sweet daughter, Rudy, have fun. The outside world isn 't built for Rudy and her limitations, but the family they have built at the dance studio wholeheartedly embraces her. When tragedy strikes, Lu-Ella will find out just how hard a mother will fight to save her child. For the first time in Rudy's life, she realizes she can't do this on her own. Mike isn't looking for a place to settle down. As far as he's concerned, roots may as well be chains. Only a few months since his last deployment, he 's settling terribly into civilian life. No matter how hard his old friend, Click, tries, there 's just no room in this suburban world for him. One evening while working on repairs at the dance studio the code he lives by is called into question. Leaving isn 't an option this time. Because running means leaving Lu-Ella to fend for herself . . . and there was no way in hell he 'll do that. The success of solving a cold case on East Bonnet Beach catapults Gwen and Mark into the limelight. Their approach, current popularity, and connections make the lure of another long forgotten Jane Doe impossible to avoid. Morristown is a small farming town in Connecticut. Friendly neighbors. Helping hands. Bright smiles. But for some reason, no one seems to care at all about finding the person who murdered a stranger and buried her in their town. The reputation of a dead man, a town hero, is more important than justice in their eyes. An odd family vacation, Gwen and Mark load up the car with the people they love and head to Oakwood Farm. Determined to break the decades old complacency of the locals, they realize quickly just how dangerous that might be. The Missing Pieces Series Book 1: The Bend in Redwood Road Book 2: The Pier at Jasmine Lake Book 3: The Bridge in Sunset Park Book 4: The Stairs to Chapel Creek Book 5: The Cabin on Autumn Peak Book 6: The Shore at East Bonnet Beach Book 7: The Field on Oakwood Farm In the 1960s, Edenville, North Carolina is full of rules. Sagging under the weight of racism and segregation the small community finds itself at a dangerous tipping point. Eleven-year-old Betty Grafton believes the world is fair. She knows there are worse places to live than Edenville. Unaware of the wars waging around her, she spends her days patting horses in the field and running errands for her mother. The world she doesn 't see, full of turmoil and unrest, is hiding just below the surface. One day, she has no choice but to see what 's been right in front of her all along. Alma knows where to walk. She knows who to talk to and which fountain she can drink out of. Her mother, Winnie, spares no opportunity to remind her how dangerous it is to be a little black girl in the South. When a chance encounter puts Betty face to face with the peril that exists in her own hometown, everything she knows turns upside down. The world isn 't as fair or safe as she 'd imagined. Her family is the Klan. Her friends are the enemy. And nothing makes sense anymore. Although the world demands they stay apart, Alma and Betty forge a secret friendship. One that could cost them their lives.

Every photograph was at one point a moment intended to be remembered. Ruby Constantine works tirelessly to give old film new life, salvaging forgotten and discarded rolls. There is a gamble to the process; she may end up with a priceless treasure or a stack of meaningless photographs. The job provides a level of excitement the rest of Ruby's life lacks. That is, until a particularly unique set turns out to have captured a grisly crime that Ruby knows the local police on Bolton Bluff Island off the coast of Maine are not equipped to solve. Patrick Sullivan has given up his job as an investigative reporter in Boston in order to write articles about bumble bees and pizza crusts for a tiny newspaper in Maine. Why? Because no one dies as a result of something he 's written anymore. Though his goal is to keep his head down and mind his own business, a call from Ruby changes everything. She holds a special place in his heart and helping is a pull he can 't resist. Success seems impossible when their hunt for a killer becomes more dangerous than anything they could have imagined. Ruby and Patrick must decide if their lives are worth more than the truth.

My Heart Laid Bare

" For those ready and willing to build a new life, here are the tools. Powerful, incisive, extraordinary writing. " —Neale Donald Walsch, New York Times bestselling author of Conversations with God Transform your life with this bestselling, revolutionary, and accessible seven-step guide—grounded in energy medicine, neurobiology, and quantum physics—to awaken your true health and potential through energy healing. Eighteen years ago, health pioneer and " extraordinary enlightened visionary " (Anita Moorjani, New York Times bestselling author) Dr. Sue Morter had a remarkable and profound awakening. While meditating, she spontaneously accessed an energy field—a level of consciousness—beyond anything she had ever imagined. This dramatic experience changed her life and set her on a mission to discover how to create such radical transformation for her patients.

Through years of advanced study and research in energy healing and medicine, she developed the Energy Codes. This life-altering program has now enabled thousands of people around the world to overcome pain, disease, fatigue, anxiety, and depression, and to awaken their innate creativity, intuition, and inner power. Bridging ancient healing practices with cutting-edge science, The Energy Codes offers a detailed road map to help you experience deep healing in your life. Grounded in

practical, accessible exercises, including yoga, breathwork, meditations, and Dr. Morter 's proprietary Bio-Energetic Synchronization Technique (BEST) protocol, The Energy Codes " offers deep insights...that brilliantly merge the ever-blending worlds of science and spirituality to help reveal the truth of our being and the depths of our greatness, " (Jack Canfield, coauthor of the Chicken Soup for the Soul series).

Gwen and Griff were supposed to be coasting through the first year of marriage. They 'd known each other since childhood and there were no surprises left to discover. When their plans of growing their family take a detour, Gwen wonders if the road they 're on will ever lead her to happiness. Can she mourn and hope all at once? Leslie has inched her way closer to making amends. Divorcing her husband and blindsiding her children with a painful, decades-old secret has left everyone in tatters. One thread at a time she 's begun to sew them back together. She 's pioneering new ideas in the business world. Falling in love with her old flame. Getting to know the daughter she abandoned at birth. But her sons are still out of reach. When one needs help she finally sees hope for a future. There are no perfect families. Only best laid plans and how to deal with what happens when they fall apart. Book 1: The Bend in Redwood Road Book 2: The Pier at Jasmine Lake Book 3: The Bridge in Sunset Park Book 4: The Stairs to Chapel Creek Book 5: The Cabin on Autumn Peak Book 6: The Shore at East Bonnet Beach On her last tank of gas Elaine Mathews drives South. Spontaneity had never been her strength, but there was something about being publicly fired that had a way of changing things. An empty bank account, broken heart, and enough humiliation to last a life time was all Elaine could claim as her own. Her car choked to a stop in the quiet beach town of Indigo Bay and all she could do was sit on the curb and wait for the sun to set on her misery. Davis Mills has a routine. Wake. Work. Eat. Sleep. Repeat. It hadn't always been that way. He'd left indigo bay once and returned a broken man. Now he kept his dreams small and his schedule tight. If there was no room in his life for anything new then he'd never repeat his mistakes. When fate has them, quite literally colliding Elaine and Davis are faced with an important question. Can you live a full life if you never take a risk? Or is life made up of every mistake, miracle and chance that comes with being in love?
