IGCSE MATHS (0580)

Summer 2019 papers. Teachers can now access our June 2019 papers on e-AQA secure key materials (SKM). They will be available for longer, so that there is access to unseen mocks later in 2020 and early 2021. The 2019 papers will also be published on our main website in July 2021.

Students are entered for either foundation tier (paper 01, paper 02 and paper 03) or higher tier (paper 04, paper 05 and paper 06). Key features of the OCR GCSE maths specification There are 100 marks per paper, giving OCR a large scope for awarding method marks within questions which is why it is always so important for

---

students to show working out, especially in longer mark questions.
