THE NEW YORK TIMES BESTSELLING SERIES WITH OVER ONE MILLION COPIES SOLD• Everyone is talking about this addictive must-read mystery with shades of Serial and Making a Murderer about an investigation turned obsession, full of twists and turns and with an ending you'll never expect. Everyone in Fairview knows the story. Pretty and popular high school senior Andie Bell was murdered by her boyfriend, Sal Singh, who then killed himself. It was all anyone could talk about. And five years later, Pip sees how the tragedy still haunts her town. But she can't shake the feeling that there was more to what happened that day. She knew Sal when she was a child, and he was always so kind to her. How could he possibly have been a killer? Now a senior herself, Pip decides to reexamine the closed case for her final project, at first just to cast doubt on the original investigation. But soon she

discovers a trail of dark secrets that might actually prove Sal innocent . . . and the line between past and present begins to blur. Someone in Fairview doesn't want Pip digging around for answers, and now her own life might be in danger. And don't miss the sequel, Good Girl, Bad Blood! "The perfect nail-biting mystery." --Natasha Preston, #1 New York Times bestselling author

In 1846 a baby girl is born to a young Irish fisherman and his wife. It is the second year of the Great Hunger and the young couple choose to remain in Ireland, while family and friends are leaving. Their story takes place in the fishing village of Blackrock, Dundalk but with the cities of Liverpool and Sunderland playing a critical part in their lives. Is their love for each other and their homeland enough to sustain them, or will they be forced to join the one and a half million who emigrate? This is the story of a young man's love for his wife and child and the struggle to provide for his family in one of the darkest periods of Ireland's history. Amy tries desperately hard to be a good wife and mother. She puts her whole heart into doing the best she can. But will her best ever be good enough for this man? Mud and Gold is the second book in the three-volume

"Promises to Keep". It follows directly on from Book One, Sentence of Marriage. Thomas Hardy (2nd June 1840 – 11th January 1928) was an English novelist and poet. He was influenced by Romanticism and it has been reflected in his novels and poetry. He was criticised by the Victorian society on the issue of the declining status of rural people in Britain. He was basically a poet. Initially he started writing poems. But he gained fame after his novels, such as – Far from the Madding Crowd, The Mayor of Casterbridge, Tess of the d'Urbervilles and Jude the Obscure. Two of his novels, 'Tess of the d'Urbervilles' and 'Far from the Madding Crowd', were listed in top 50 on the BBC survey- The Big Read. The story of 'Tess of the d'Urbervilles' revolves around a 16 year old very simple girl, named Tess Durbeyfield, who is the eldest daughter of John and Joan Durbeyfield. Since the family suffers acute financial crisis, so they approach the d'Urbervilles family who are holding huge land and having lot of money. There Tess meets Alec d'Urberville, who finds himself attracted to Tess. When Tess started working as a caretaker of Alec's blind mother's poultry farm, Alec gets an opportunity to rape her. After that there are many ups and down in Tess' life. She meets Mr. Crick for another job. She also meets one more fellow Angel Clare, who is a travelling farmer's apprentice. They marry each other. But after knowing her story, again there is a turn in Tess' life. How she manages all such situation, how she meets all the financial aspects, lot of things happen with Tess. Even Alec and Angel both start searching for Tess. So, the story has become very interesting, full of climax. How Tess meets Alec or Angel? Whether she gets involved with any of these two again? There

are so many presumptions. Readers will surely enjoy the story, full of suspense and never expected ups & downs in the life of all the characters. At last, how Angel helps Tess and her family is the climax. Go ahead and must grab the book. A must read book for self development and how to be a good leader.

All that is Solid Melts Into Air

In 1914, Daisy lives in the quiet New Zealand valley where her family has farmed for

generations. A cherished only child with an adored older cousin, and surrounded by a sprawling extended family, her world seems a warm and safe one. But the Great War is casting its long shadow over New Zealand.

Daisy watches in growing fear as more and more of the men leave to fight in Europe, and the War strikes ever closer to the heart of her family. Daisy's War opens five years after the end of A Second Chance. The settings and many of the characters from the earlier books are revisited, while a new generation is introduced: that of Amy's grandchildren.

This book is a trusted companion that offers readers a way to reflect on God's comforting promises, rest in His care, reflect on God's goodness, and release the day's worries to God right before bed each night.

Why were sinners so attracted to Jesus yet repelled by the religious? It had everything to do with the heart of Jesus. They sensed that Jesus was for them--not against them. When broken, sinful people feel repelled by Christians, we must assess whether our hearts reveal the heart of God or reflect the heart of the Pharisees. Through this engaging study of Jesus's encounters with imperfect people,

combined with real-life stories of ordinary people having Christlike impact, readers will learn how to show unshockable love toward those around them.

Now including an excerpt from VICTORIA: A Novel, by Daisy Goodwin, the Creator/Writer of the Masterpiece Presentation on PBS. "Anyone suffering Downton Abbey withdrawal symptoms (who isn't?) will find an instant tonic in Daisy Goodwin's *The American Heiress*. The story of Cora Cash, an American heiress in the 1890s who bags an English duke, this is a deliciously evocative first novel that lingers in the mind." --Allison Pearson, New York Times bestselling author of *I Don't Know How She Does It* and *I Think I Love You* Be careful what you wish for. Traveling abroad with her mother at the turn of the twentieth century to seek a titled husband, beautiful, vivacious Cora Cash, whose family mansion in Newport dwarfs the Vanderbilts', suddenly finds herself Duchess of Wareham, married to Ivo, the most eligible bachelor in England. Nothing is quite as it seems, however: Ivo is withdrawn and secretive, and the English social scene is full of traps and betrayals. Money, Cora soon learns, cannot buy everything, as she must decide what is truly worth the price in her life and her marriage. Witty, moving, and brilliantly entertaining, Cora's story marks the debut of a glorious storyteller who brings a fresh new spirit to the world of Edith Wharton and Henry James. "For daughters of the new American billionaires of the 19th century, it was the ultimate deal: marriage to a cash-strapped British Aristocrat in return for a title and social status. But money didn't always buy them happiness." --Daisy Goodwin in *The Daily Mail* One of Library Journal's Best Historical Fiction Books of 2011

In November 1918, the Great War is over and the men are coming home. For a brief period, Daisy's world once again seems a safe and settled one. But no one returns unscathed from such a war, although not all wounds leave obvious signs. And hard on the heels of the Armistice comes a new, invisible enemy that will strike much closer to home: a lethal epidemic of influenza. Till now, Daisy has shared her dream of some day becoming a doctor with only one person: her beloved cousin Eddie. Her hopes for the future must be set aside while events are buffeting her family; and the best education her little school can offer aims no further than producing capable farmers and useful wives. Pursuing her dream will be no easy task for Daisy. After the Roses is the sequel to Daisy's War.

of The Alice Network A forgotten history. A secret network of women. A legacy of poison and revenge. Welcome to The Lost Apothecary... Hidden in the depths of eighteenth-century London, a secret apothecary shop caters to an unusual kind of clientele. Women across the city whisper of a mysterious figure named Nella who sells well-disguised poisons to use against the oppressive men in their lives. But the apothecary's fate is jeopardized when her newest patron, a precocious twelve-year-old, makes a fatal mistake, sparking a string of consequences that echo through the centuries. Meanwhile in present day London, aspiring historian Caroline Parcewell spends her tenth wedding anniversary alone, running from her own demons. When she stumbles upon a clue to the unsolved apothecary murders that haunted London two hundred years ago, her life collides with the apothecary's in a stunning twist of fate—and not everyone will survive. With crackling suspense, unforgettable characters and searing insight, *The Lost Apothecary* is a subversive and intoxicating debut novel of secrets, vengeance and the remarkable ways women can save each other despite the barrier of time. Aeneas appears in *The Illiad* in vague snatches and starts as a traveling warrior of great piety who was loosely connected to the foundation of Rome. Virgil weaves these fragments into a powerful myth about the founding of Rome in *The Aeneid*. Aeneas travels from his native Troy to Italy then wages victorious war upon the Latins. *The Book of Adam and Eve: Also Called the Conflict of Adam and Eve with*

In 1850, young Scottish plant hunter John Jeffrey was despatched by an elite group of Victorian subscribers to seek highly prized exotic trees in North America. An early letter home told of a 1,200-mile transcontinental journey by small boat and on foot. Later, tantalising collections of seeds and plants arrived from British Columbia, Oregon and California, yet early promise soon withered. Four years after setting out, John Jeffrey, and his journals, disappeared without a trace. Was he lost to love, violence or the Gold Rush? *Green Gold* combines meticulous research with the fictional narrative of Jeffrey's lost journals, revealing an extraordinary adventure.

David Hair is the award-winning writer of two young adult fiction series, *The Aotearoa* and *The Return of Ravana* (based on the Vedic epic *The Ramayana*). *Mage's Blood*, the first volume of a series called *The Moontide Quartet*, is Hair's first work of adult fantasy. In a starred review of *Mage's Blood*, *Publisher's Weekly* said, "This multilayered beginning to the *Moontide Quartet* plunges readers into a taut network of intrigue and mystery that tightens with each chapter. Hair portrays a stark and beautiful world breaking apart, with both good and evil characters desperate to reshape it through magic, war, and treachery. This strong debut should draw in fantasy readers of all stripes." Most of the time the *Moontide Bridge* lies deep below the sea, but every twelve years the tides sink and the bridge is revealed, its gates open for trade. The *Magi* are hell-bent on ruling this new world, and for the last two *Moontides* they have led armies across the bridge on "crusades of conquest." Now, the third *Moontide* is almost here, and this time the people of the East are ready for a fight... but it is three seemingly ordinary people that will decide the fate of the world.

 Money. Greenbacks vs. gold. The Lincoln administration prints greenbacks to pay the Union armies, and in the Gold Room off Wall Street, traders pit the greenback against the gold Double Eagle. By January 1864, the greenback loses nearly half its value. An angry President Lincoln wishes gold traders –

traitors all – were "shot in the head." Far to the west, in Alder Gulch, Montana Territory, millions in gold lie under the ice of Alder Creek, and gold-seekers pray for spring. When the ice breaks, Daniel Stark rescues a man hurled into the frigid water, only to learn that his autocratic grandfather sent the man to bring him back with gold to pay his family's debt. But Dan does not have enough gold to rescue the family from their financial burden. If he joins the gold traders, he could make enough to pay the debt and secure his family's future. Or lose everything and be branded a traitor to the Union.

The Seeker of Truth embarks on his perilous training in wizardry in the 2nd novel of the #1 New York Times bestselling author's epic fantasy series. In Wizard's First Rule, forest guide Richard Cypher becomes a Seeker of Truth in order to defeat the tyrannical Wizard Darken Rahl—only to discover that he is in fact Darken's son. Now, with Darken vanquished, Richard and the beautiful Kahlan Amnell head back to the Mud People to be married. But their adventures are far from over. As the wedding day approaches, Richard is visited by three Sisters of Light who insist on bringing him to the Palace of the Prophets to be trained as a Wizard. Meanwhile, the veil to the underworld has been torn, and the Stone of Tears has

passed through. According to prophecy, the only person who has a chance at closing the veil is the one bonded to the blade, the one born true.

From bestselling author Genevieve Graham comes a sweeping new historical novel of love, tragedy, and redemption set during the height of the Klondike Gold Rush. In 1897, the discovery of gold in the desolate reaches of the Yukon has the world abuzz with excitement, and thousands of prospectors swarm to the north seeking riches the likes of which have never been seen before. For Liza Peterson and her family, the gold rush is a chance for them to make a fortune by moving their general store business from Vancouver to Dawson City, the only established town in the Yukon. For Constable Ben Turner, a recent recruit of the North-West Mounted Police, upholding the law in a place overrun with guns, liquor, prostitutes, and thieves is an opportunity to escape a dark past and become the man of integrity he has always wanted to be. But the long, difficult journey over icy mountain passes and whitewater rapids is much more treacherous than Liza or Ben imagined, and neither is completely prepared for the forbidding north. As Liza's family nears the mountain's peak, a catastrophe strikes with fatal consequences, and not even the NWMP can help. Alone and desperate, Liza finally reaches Dawson City, only to find herself in a different kind of peril. Meanwhile, Ben, wracked with guilt over the accident on the trail, sees the chance to make things right. But just as love begins to grow, new dangers arise, threatening to separate the couple forever. Inspired by history as rich as the Klondike's gold, *At the Mountain's Edge* is an epic tale of romance and adventure about two people who must let go of the past not only to be together, but also to survive.

"Just plain awesome" -- Brandon Sanderson Civil unrest cripples the citizens of Adro in the aftermath of the revolution that obliterated the monarchy. Now, Field Marshal Tamas and his lieutenants must confront the true cost of freedom in book one of the Powder Mage Trilogy. It's a bloody business overthrowing a king. . . Field Marshal Tamas' coup against his king sent corrupt aristocrats to the guillotine and brought bread to the starving. But it also provoked war with the Nine Nations, internal attacks by royalist fanatics, and the greedy to scramble for money and power by Tamas's supposed allies: the Church, workers unions, and mercenary forces. It's up to a few. . . Stretched to his limit, Tamas is relying heavily on his few remaining powder mages, including the embittered Taniel, a brilliant marksman who also happens to be his estranged son, and Adamat, a retired police inspector whose loyalty is being tested by blackmail. But when gods are involved. . . Now, as attacks batter them from within

and without, the credulous are whispering about omens of death and destruction. Just old peasant legends about the gods waking to walk the earth. No modern educated man believes that sort of thing. But they should. . . Winner of the David Gemmell Morningstar Award for Best Debut Fantasy.

Through a mix of witchery, deception, murder, abuse, grand delusion, ludicrous conversations, and cringeworthy moments of bodily disgust, Moshfeqh creates a world that you definitely don't want to live in, but from which you can't look away." —The Atlantic In a village in a medieval fiefdom buffeted by natural disasters, a motherless shepherd boy finds himself the unlikely pivot of a power struggle that puts all manner of faith to a savage test, in a spellbinding novel that represents Ottessa Moshfeqh's most exciting leap yet Little Marek, the abused and delusional son of the village shepherd, never knew his mother; his father told him she died in childbirth. One of life's few consolations for Marek is his enduring bond with the blind village midwife, Ina, who suckled him when he was a baby, as she did so many of the village's children. Ina's gifts extend beyond childcare: she possesses a unique ability to

communicate with the natural world. Her gift often brings her the transmission of sacred knowledge on levels far beyond those available to other villagers, however religious they might be. For some people, Ina's home in the woods outside of the village is a place to fear and to avoid, a godless place. Among their number is Father Barnabas, the town priest and lackey for the depraved lord and governor, Villiam, whose hilltop manor contains a secret embarrassment of riches. The people's desperate need to believe that there are powers that be who have their best interests at heart is put to a cruel test by Villiam and the priest, especially in this year of record drought and famine. But when fate brings Marek into violent proximity to the lord's family, new and occult forces upset the old order. By year's end, the veil between blindness and sight, life and death, the natural world and the spirit world, will prove to be very thin indeed.

Amy watches in growing fear the worsening confrontation between her husband and her son, until she realises that only one of them can survive it. How long can she keep them apart? The final volume in "Promises to Keep". It follows directly on from Book Two, Mud and Gold.

In this magical middle grade novel, ten-year-old Gabrielle finds out that America isn't the perfect place she imagined when she moves from Haiti to Brooklyn. With the help of a clever witch, Gabrielle becomes the perfect American—but will she lose herself in the process? Perfect for fans of Hurricane Child and Front Desk. It's 1985 and ten-year-old Gabrielle is excited to be moving from Haiti to America.

Unfortunately, her parents won't be able to join her yet and she'll be living in a place called Brooklyn, New York, with relatives she has never met. She promises her parents that she will behave, but life proves to be difficult in the United States, from learning the language to always feeling like she doesn't fit in to being bullied. So when a witch offers her a chance to speak English perfectly and be "American," she makes the deal.

But soon she realizes how much she has given up by trying to fit in and, along with her two new friends (one of them a talking rat), takes on the witch in an epic battle to try to reverse the spell. Gabrielle is a funny and engaging heroine you won't soon forget in this sweet and lyrical novel that's perfect for fans of Hurricane Child and Front Desk. "It is worse, much worse, than you think. If your anxiety about global warming is dominated by fears of sea-level rise, you are barely scratching the surface of what terrors are possible. In California, wildfires now rage year-round, destroying thousands of homes. Across the US, "500-year" storms pummel communities month after month, and floods displace tens of millions annually. This is only a preview of the changes to come. And they are coming fast. Without a revolution in how billions of humans conduct their lives, parts of the Earth could become close to uninhabitable, and other parts horrifically inhospitable, as soon as the end of this century. In his travelogue of our near future, David Wallace-Wells brings into stark relief the climate troubles that await -- food shortages, refugee emergencies, and other crises that will reshape the globe. But the world will be remade by warming in more profound ways as well, transforming our politics, our culture, our relationship to technology, and our sense of history. It will be all-encompassing, shaping and distorting nearly every aspect of human life as it is lived today. Like An Inconvenient Truth and Silent Spring before it, The Uninhabitable Earth is both a meditation on the devastation we have brought upon ourselves and an impassioned call to action. For just as the world was brought to the brink of catastrophe within the span of a lifetime, the responsibility to avoid it now belongs to a single generation"--

- A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the

totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

20-year old Zoe isn't your typical around-the-way girl. On the contrary, she's the total opposite. Raised by crack addicts for parents, she has no choice but to get it out the mud, and her means of survival aren't the safest or the smartest. Instead of realizing this, she's hell-bent on following her boyfriend Sensei's lead. He, too, is a jack boy, but a few years ago, landed himself in prison after being caught with stolen work. Like a foolhardy girl in love, Zoe promises to hold him down...but that's before she falls hard for his older brother, Verse. At 38, Verse is everything Sensei wishes he could live up to be, including the boss of H-town. Will he finally get his wish after he's released and finds out his girl is keeping time with his brother? And can Zoe eventually redeem herself and change her f*cked up ways? Find out in the first volume of this epic and unforgettable Houston-based love tale!

This New York Times bestseller from "one of the great storytellers of our time" (San Francisco Book Review) turns from the glamour of the royal courts to tell the story of an ordinary woman, Alinor, living in a dangerous time for a woman to be different. A country at war A king beheaded A woman with a dangerous secret On Midsummer's Eve, Alinor waits in the church graveyard, hoping to encounter the ghost of her missing

husband and thus confirm his death. Until she can, she is neither maiden nor wife nor widow, living in a perilous limbo. Instead she meets James, a young man on the run. She shows him the secret ways across the treacherous marshy landscape of the Tidelands, not knowing she is leading a spy and an enemy into her life. England is in the grip of a bloody civil war that reaches into the most remote parts of the kingdom. Alinor's suspicious neighbors are watching each other for any sign that someone might be disloyal to the new parliament, and Alinor's ambition and determination mark her as a woman who doesn't follow the rules. They have always whispered about the sinister power of Alinor's beauty, but the secrets they don't know about her and James are far more damning. This is the time of witch-mania, and if the villagers discover the truth, they could take matters into their own hands. "This is Gregory par excellence" (Kirkus Reviews). "Fans of Gregory's works and of historicals in general will delight in this page-turning tale" (Library Journal, starred review) that is "superb... A searing portrait of a woman that resonates across the ages" (People).
