True Romance, directed by Tony Scott, is a hilarious, twisted road movie about which Interview raved, "A pop-crazy, instant B classic with A clout." Alabama, a hooker, and Clarence, a comic-book store clerk, fall in love and hit the road in a purple Cadillac. They are going to Los Angeles to start a new life -- with a suitcase full of cocaine accidentally stolen from Alabama's defunct ex-pimp. Guided by the spirit of Elvis, Clarence attempts to sell the coke to a top Hollywood director, putting the young lovers in the middle of a standoff between the narcs and

the Sicilian gangsters who rightfully own the cocaine. This publication of Tarantino's first screenplay, written when he was still a video-store clerk, contains the original ending and Tarantino's "answers first, questions later" structure, both of which were altered by Scott. At the start of this fourteenth adventure for Amelia, which continues the wartime theme begun in *Lord of the Silent*, it is New Year's Eve, 1917. Risking winter storms and German torpedoes, the Emersons are heading for Egypt once again: Amelia, Emerson, their son Ramses and his wife Nefret. Emerson is counting on a long season of excavation without distractions but this proves to be a forlorn hope. Yet again they unearth a dead body in a looted tomb - not a mummified one though, this one is only too fresh, and it leads the clan on a search for the man who has threatened them with death if they pursue the excavations. If that wasn't distraction enough, Nefret reveals a secret she has kept hidden: there is reason to believe that Sethos, master criminal and spy may be helping the enemy. It's up to the Emersons to find out, and either prove his innocence or prevent him from betraying Britain's plans to take Jerusalem and win the war in the Middle East.

The Kick-Ass Writer
How To Be a Good Wife by Emma Chapman is a haunting literary debut about a woman who begins having visions that make her question everything she knows. Marta and Hector have been married for a long time. Through the good and bad; through raising a son and sending him off to life after university. So long, in fact, that Marta finds it difficult to remember her life before

Hector. He has always taken care of her, and she has always done everything she can to be a good wife—as advised by a dog-eared manual given to her by Hector's aloof mother on their wedding day. But now, something is changing. Small things seem off. A flash of movement in the corner of her eye, elapsed moments that she can't recall. Visions of a blonde girl in the darkness that only Marta can see. Perhaps she is starting to remember—or perhaps her mind is playing tricks on her. As Marta's visions persist and her reality grows more disjointed, it's unclear if the danger lies in the world around her, or in Marta herself. The girl is growing more real every day, and she wants something.

The English poet, philosopher and literary critic William Empson considered 'The Face of the Buddha' to be one of his finest works. Drafted as he travelled throughout eastern and southern Asia during the 1930's, it is a highly personal account of the cultures and artworks he encountered in Japan, Korea, China, Burma, India and Ceylon, and contains perspectives and theories that are not found in any of his other works. Empson was heartbroken when he lost the only copy of the manuscript in the wake of World War Two, but its

recent rediscovery means the book can now be offered exactly as he intended, complete with his original photographs. A comprehensive introduction by the global culture historian Rupert Arrowsmith ensures that the text is just as accessible to the general reader as it is to academics and students.
