The Story of the Irish Race is fascinating to me, as it gives so much more detailed Irish history that I've never heard before! NOT light reading, but good for small sessions. One objection - ALL surnames mentioned in the book are NOT listed in the index. Especially interesting was where the peoples who BECAME "more Irish than the Irish" came from.

~~The Story of the Irish Race: A Popular History of Ireland~~

THE STORY OF THE IRISH RACE. The Irish race of today is popularly known as the Milesian Race, because the genuine Irish (Celtic) people were supposed to be descended from Milesius of Spain, whose sons, say the legendary accounts, invaded and possessed themselves of Ireland a thousand years before Christ. The races that occupied the land when the so-called Milesians came, chiefly the Firbolg and the Tuatha De Danann, were certainly not exterminated by the conquering Milesians.

~~Irish History, the story of the Irish Race.~~

Irish racism in Victorian Britain and 19th century United States included the stereotyping of the Irish as violent and alcoholic. Some English illustrators depicted a prehistoric "ape-like image" of Irish faces to bolster evolutionary racist claims that the Irish people were an "inferior race" as compared to Anglo-Saxons.
