"A wondrous, sparkling fusion of wisdom and insight." - Patricia Santhuff What do the wonderful myths of ancient Greece, the beautiful stories in the Bible and Qur'an, and all the sacred stories from traditions around the world, have in common? They open our hearts to wonder, mystery, passion, and joy. I know, on the outside these stories seem very different, confusing, conflicting, and often violent and divisive. But when read symbolically and internally, they are all telling the same story. They show us the path of spiritual awakening and enlightenment. Sometimes the story is called "Returning to the Promised Land." Sometimes it's called "Seeking the Holy Grail." Sometimes it's called "Persephone's Return to Olympus." But whatever it's called, the inner meaning and purpose is always the same. The stories are all a call to awaken, to live passionately and consciously, and to enter the door that leads to enlightenment and communion with the divine. The door is always open. The light is always ready to receive us. But we have to learn how to tread the path! Fortunately, that's what all the sacred stories are really about. THE DOOR IS OPEN uncovers the 7 Universal Steps that are found within the symbols and allegories of all great mythology and scripture. Each chapter ends with a series of practical and enjoyable spiritual exercises and activities. You can do this work on your own, or together with a group. It could be a church or synagogue group, a book club, a classroom, or any group of friends who want to get together and expand their spiritual horizons. The Case of the Gasping Garbage

Now a major motion picture starring Katie Holmes. A stirring debut novel about a mother and daughter who find an unlikely home amid the quirky residents of a small town—"The smart style, crisp narrative, sharp dialogue, and vivid descriptions send a powerful message: there is hope hidden in despair" (Publishers Weekly). For

thirteen-year-old Ruthie Carmichael and her mother, Rita, life has never been stable. Though Rita works more than one job, the pair teeters on the edge of poverty. In their battered Ford Escort, they head east in search of a better life. When money runs out and their car breaks down, they find themselves stranded in a small town called Fat River where Rita finally lands a steady job waitressing at Tiny's, the local diner. With enough money to pay their bills, they rent a house and make their own family: tender-hearted Mel, the owner of the diner; the aging owners of the local hardware store whose livelihoods are dwindling; and Peter Pam, the transgender waitress who becomes Ruthie's closest friend. Into this unlikely utopia comes a smooth-talking mortgage broker who entices Rita with a subprime loan. Almost as soon as Rita buys a house their fortunes change. Faced once again with the prospect of homelessness, Rita reverts to survival mode, and the price she pays to keep them out of poverty changes their lives forever. Annie Weatherwax has written a stunning, heartrending first novel. "A vivid journey into the dark side of the American Dream...that alternates between black comedy and heart-breaking realism...All We Had is an enjoyable read that takes an important look at economic insecurity" (Providence Journal).

The first book in a major new trilogy, How to Live: How We Are, How We Break, and How We Mend We live in small worlds. How We Are is an astonishing debut and the first part of the monumental How to Live trilogy, a profound and ambitious work that gets to the heart of what it means to be human: how we are, how we break, and how we mend. In Book One, How We Are, we explore the power of habit and the difficulty of change. As Vincent Deary shows us, we live most of our lives automatically, in small worlds of comfortable routine—what he calls Act One. Conscious change requires deliberate effort, so for the most part we avoid it. But inevitably, from within or without, something comes along to disturb our small worlds—some News from Elsewhere. And with reluctance, we begin the work of adjustment: Act Two. Over decades of psychotherapeutic work, Deary has witnessed the theater of change—how ordinary people get stuck, struggle with new circumstances, and finally transform for the better. He is keenly aware that novelists, poets, philosophers, and theologians have grappled with these experiences for far longer than psychologists. Drawing on his own personal experience and a staggering range of literary, philosophical, and cultural sources, Deary has produced a mesmerizing and universal portrait of the human condition. Part psychologist, part philosopher, part novelist, Deary helps us to see how we can resist being habit machines, and make our acts and our lives more fully our own.

"When people look at George, they think they see a boy. But she knows she's not a boy. She knows she's a girl. George thinks she'll have to keep this a secret forever. Then her teacher announces that their class play is going to be Charlotte's Web. George really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part ... because she's a boy. With the help of her best friend, Kelly, George comes up with a plan. Not just so she can be Charlotte -- but so everyone can know who she is, once and for all"-- When Gerald the elephant and Piggie realize that they are in a book, they decide to have some fun with the reader.

A GOOD MORNING AMERICA BOOK CLUB PICK Named a Best Book Pick of 2021 by Harper's Bazaar and Real Simple Named a Most Anticipated Book of Fall by People, Essence, New York Post, PopSugar, New York Newsday, Entertainment Weekly, Town & Country, Bustle, Fortune, and Book Riot Told from alternating perspectives, this "propulsive, deeply felt tale of race and friendship" (People) follows two women, one Black and one white, whose friendship is indelibly altered by a tragic event. Jen and Riley have been best friends since kindergarten. As adults, they remain as close as sisters, though their lives have taken different directions. Jen married young, and after years of trying, is finally pregnant. Riley pursued her childhood dream of becoming a television journalist and is poised to become one of the first Black female anchors of the top news channel in their hometown of Philadelphia. But the deep bond they share is severely tested when Jen's husband, a city police officer, is involved in the shooting of an unarmed Black teenager. Six months pregnant, Jen is in freefall as her future, her husband's freedom, and her friendship with Riley are thrown into uncertainty. Covering this career-making story, Riley wrestles with the implications of this tragic incident for her Black community, her ambitions, and her relationship with her lifelong friend. Like Tayari Jones's An American Marriage and Jodi Picoult's Small Great Things, We Are Not Like Them takes "us to uncomfortable places—in the best possible way—while capturing so

much of what we are all thinking and feeling about race. A sharp, timely, and soul-satisfying novel" (Emily Giffin, New York Times bestselling author) that is both a powerful conversation starter and a celebration of the enduring power of friendship. Who better than Sesame Street to teach us that we may all look different on the outside—but it's important to remember that deep down, we are all very much alike. We all have the same needs, desires, and feelings. Elmo and his Sesame Street friends help teach toddlers and the adults in their lives that everyone is the same on the inside, and it's our differences that make this wonderful world, which is home to us all, an interesting—and special—place. This enduring, colorful, and charmingly illustrated book offers an easy, enjoyable way to learn about differences—and what truly matters. It is an engaging read for toddlers and adults alike. Fourth-graders Drake Doyle and Nell Fossey combine their detective and scientific investigation skills to solve a variety of cases, involving a noisy garbage can, endangered frogs, a stuck truck, and a mysterious love letter. Includes a section of scientific experiments and activities. Gerald and Piggie discover the joy of being read. But what will happen when the book ends? The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. #1 New York Times bestseller A TIME Magazine Best Book of the Year A NPR Best Book of 2017 A Boston Globe Best Book of 2017 "Moments of human intimacy jostle with scenes that inspire cosmic awe, and the broad diversity of Jeffers's candy-colored humans...underscores the twin messages that 'You're never alone on Earth' and that we're all in this together."--Publisher's Weekly (starred review) "A true work of art."--BuzzFeed Oliver Jeffers, arguably the most influential creator of picture books today, offers a rare personal look inside his own hopes and wishes for his child--and in doing so gifts children and parents everywhere with a gently sweet and humorous missive about our world and those who call it home. Insightfully sweet, with a gentle humor and poignancy, here is Oliver Jeffers' user's guide to life on Earth. He created it specially for his son, yet with a universality that embraces all children and their parents. Be it a complex view of our planet's terrain (bumpy, sharp, wet), a deep look at our place in space (it 's big), or a guide to all of humanity (don 't be fooled, we are all people), Oliver's signature wit and humor combine with a value system of kindness and tolerance to create a must-have book for parents. Praise for Here We Are: -"A

sweet and tender distillation of what every Earthling needs to know and might well spend a lifetime striving to achieve. A must-purchase for new parent shelves"--School Library Journal -"From the skies to the animal kingdom to the people of the world and lots of other beautifully rendered examples of life on Earth, Here We Are carries a simple message: Be kind." --NPR -"[An] enchanting gem of a children's book"--NBC's Today Show -"A must-have book for parents."--Gambit -"A celebration of people all shapes and sizes, and of the beauty and mystery of our Earth."--Booklist -"...a beautifully illustrated guide to living on Earth and being a good person."--Brightly -[Here We Are] is a tour through the land, the sea, the sky, our bodies; dioramas of our wild diversity....[Jeffers] is the master of capturing the joy in our differences."--New York Times Book Review

Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.

Grace is Born, a beautifully illustrated poetic parable, is the perfect gift for "sages of all ages, wearing the face of every race, talking the tongue of every one." This spiritual guide to harmonious living awakens our gifts of divinity, inspiring us to InSparkle our world with Loving Acts of Compassion. Grace guides us to take each other's hands, promising that together we will "far surpass the stance of survival and become enraptured in the dance of revival." Grace is Born accompanies readers throughout their childhood into adulthood.

When a ventilator prevented her from speaking during her final hours, Jennifer started writing. After her death, her husband turns to those pages to tell her story of courage and faith. James had just walked through the door after a day's work when Jennifer told him the news that changed everything: it was cancer. In the following two years they would lose their sense of normalcy and their dreams for the future. But along the way, they would gain something even greater than their loss. Told through the eyes of a grieving husband is this true story of a young woman's fight for her life. Jennifer's final words, penned by hand when a ventilator prevented her from speaking, provide a powerful backdrop to this journey of faith and hope. A memoir that also offers a practical pathway for those struggling with loss, The Last Seven Pages is a testimony of a God who is present in our darkest moments, and who turned a devastating illness into a life-changing promise.

Upton Sinclair, one of America's foremost and most prolific authors, addresses the cultivation of the mind and the body in this 1922 volume. Sinclair's goal was to attempt to tell the reader how to live, how to find health, happiness and success, and how to develop fully both the mind and the body. Part One: The Book of the Mind covers such subjects as faith, reason, morality, and the subconscious. Part Two: The Book of the Body develops such subjects as errors in diet, the fasting cure, food and poisons, work and play, and diseases and their cures .

How We Are

Notes for Living on Planet Earth

Do you wonder if you have an important call with destiny? That you have been selected for something? A cause of a higher purpose? Well you have been chosen and the why, when, where and how is the subject of this book. Explore Your Destiny is divided into four sections. Each section supplies one more piece of the puzzle for you to place, so you can look at your life's arc with new insights. 1. Why - Why are we here and why must we live what we are living through right now? It's the age

old expression, that we all say at one time or another, "Why me?" Well there is a reason and it will be explained to you. 2. When - In what period along your souls timeline is all of this happening? Yes, there is a greater context of your soul, which you may not be aware of. Knowing your relative position in the path to perfection will guide you to understanding your current life. 3. How - How does all of this occur? How does the entire process affect your destiny and actions? What are the rules of the game? Knowing the structure and comprehending the basic laws that direct your life provides you with a point of view that will put everything into perspective. 4. Where - Where is this world that plans our destiny? Are there good places to be and are there bad? Where does the earth fit into the logical structure? You will see where the regions that you are striving to attain are and where you may be living in your not-to-distant future.

Let me begin by saying that our Christian experience must be translated from the four walls of the church and into our day to day lifestyle. It is in the heartbeat of our calling that we should translate the love of God as we pick it up from church and take it to our workplaces. My mandate through this book is to strategically position you into a place of influence in your nation of calling within the marketplace. For a long time the marketplace has remained the reserve of the children of this world. 'The children of this world are in their generation wiser than the children of light' (Luke 16:8). By failing to take our position of dominion in the marketplace, we have put our God to shame. The name of God has been profaned by many people in this world. Have you realized that anytime you mention that you are born again in your workplace, you encounter ridicule, rejection and even persecution? People have continued to shamelessly talk foul things concerning Christianity and this has to stop. God is saying that He is ready to sanctify His great name that has been profaned. God wants to do this through you. God desires that you prosper in all that you do within the marketplace, and this you must remember is for His purposes. He is not doing it for you to be proud. God is doing it "that they may see and know, and understand together, that the hand of the LORD has done this, and the Holy One of Israel has created it" (Isaiah 41:20). God wants to introduce and establish His Kingdom in the marketplace through you. He will show Himself strong on your behalf for His purposes to be fulfilled in the earth. To many Christians, there has been and there remains to be a great misconception on the perception towards serving God. We see service in the full time ministry position as the only way to serve God. In everything we do, it is important to understand that it is because of the purposes of God that we were created. God is a wise investor and the gifting He invested in you is for the expansion of His Kingdom. God wants to show Himself strong through you. The Kingdom of God is within you and as such, you are supposed to carry it into your marketplaces. It has to manifest through you at your place of work, business and even in your relationships. You should remember that He chose you. You did not choose Him. To quite a number of Christians, business is secular work, whereas serving God in church is the only way to ascribe to ministry. This tendency is so prevalent in the church that many well meaning Christians do their business or work in offices without connecting it to ministry. That is why many Christians have this 'holier than thou' attitude when in church doing the things of God but when they get to their work stations they exhibit lucre luster performances, oblivious of the fact that we are commanded to work as unto God. Many Christians may be concerned with church work and even support it financially, but fail to see the connection between service at their work place and their Christian life. Some even think that if you really are serious about ministry, you ought to quit your job or give up your business in order to pursue a role in full time ministry. The object matter of this book is to bring every believer to the realization that we all were created for a purpose and that the faster we realize this and take up our positions the better. As Christians we are cut out and mandated to fulfill a specific assignment for God here on earth. Our mission is to honour God in our service by extending His will to all our activities.

Big Frog really wants to fit in, but even this pop-up book can't hold her, so it takes a lot of work from some good friends to help her. By the Caldecott Honor winner of Don't Let the Pigeon Drive the Bus! You may remember visiting a grandparent or elder friend who lived in a nursing home memory unit. When you were a child you may recall sights, sounds, and smells that caused you to feel uneasy. Step into any one of today's 16,000 long-term care facilities across the US, and suddenly those memories reemerge. Nurse Supervisor K. Allen tells of the emotional investments found while working with seniors inside the Van Gogh, a large upscale urban assisted living complex. Located at its core is found a locked memory care unit, the Rembrandt, where he and his heroic support team struggle to comfort those suffering from Alzheimer's and other types of Dementia. Emotionally rich and deeply moving, Remembering What I Forgot tells of a day in the life of a memory unit nurse and the unimaginable obstacles faced by today's health care workers. A first of its kind, the story provides its reader with a rare glimpse into "life on a memory unit" including the emotional torment experienced by visitors who witness their loved one slip into ever increasing apathy and confusion. In its truest sense a love story of the need to cope and how to find hope when someone we love suddenly cannot remember well and is handed a diagnosis of Dementia. Insightful, humorous and heartfelt, Remembering What I Forgot conveys a message of inspiration and helps us connect with those in the final chapter of their life. Let us not forget them.

All fiction is character-driven, according to William Bernhardt. How can you use characters to create dynamic fiction that will captivate readers? This book explains the relationship between character and plot, and how the perfect melding of the two produces a mesmerizing story. This book is laden with POWERFUL PRECIOUS DECLARATIONS which can be taken [applied] like medicine. SPEAK it as prescribed several times a day over situations, crisis, circumstances, challenges, turmoil, doubt, fear, sickness and so on. God spoke everything into being & we are made in his image, hence we also have the power to DECREE, DECLARE & ORDAIN and supernaturally take charge by SPEAKING OVER everything or anything facing us. All we need do is believe! This book is for those willing and ready to take charge of their lives, their living and be TRANSFORMED through the POWERFUL declaration of SPOKEN words! This book will set you free in the name of Jesus. All you have to do is believe!

An Overview of Human Potential The quintessence and expansion of his Essays. Stan Kapuscinski draws on his extensive experience to share with us his unique perspective on the world we live in. He asserts his Perception of Reality in terms of historical, sociological, religious, scientific and philosophical context. This book will help you stand on your own feet with such confidence that nothing will ever upset your balance. Excerpts from 5 Star Reviews: "The more one reads Stanislaw Kapuscinski, the more convincing he becomes. Not that he tries to convince you... He merely states, clearly, what his view of reality is, and, lo and behold, with each sentence it seems to make more and more sense. What an extraordinary man!" (Marvin D. Clark, Smashwords) ..". The Bibliography at the end of this book is a living testament to the author's desire to master the secrets of reality." (Bahdan Czytelnik, Poland) ..". I strongly recommend it to all who pride themselves in having an open mind." (Anetta Bach, Smashwords) ..". If this book doesn't waken you from your mental abnegation of truth perceived by your mind, (not just your senses), nothing will. Or, perhaps, you already live in a universe of your own making? Highly recommended!" (Adam Kerry, Smashwords) ..". The philosophy Kapuscinski developed here, seems to permeate all his novels. And... I am awfully glad it does!" (Hanna, Smashwords)
